## Introduction

The meeting of the American Society of Hematology (ASH) is the major annual international meeting, which provides an opportunity for the discussion of critical issues in Hematology. Educational sessions cover state-of-the-art treatment procedures and scientific and poster sessions offer a forum for an enormous number of high quality studies. Information will be presented on promising experimental therapeutics. New strategies and old assumptions will be discussed. Unfortunately not all clinicians and researchers interested in Hematology are able to attend the ASH meeting in the USA. And even those attending cannot always join all sessions of their interest. For that reason we are pleased to announce the 19<sup>th</sup> Post-ASH Meeting on Friday 13 January 2017.

The 2016 American Society of Hematology (ASH) Annual Meeting will be held in San Diego, California (December 3-6, 2016).

*Looking forward meeting you,  
Prof. Nathalie Meuleman, BHS president  
Prof. Marie-Christiane Vekemans, BHS vice-president*

## Location

Sheraton Brussels Airport  
1930 Zaventem  
Phone: (02) 710 8000

## Registration

Register on-line: [www.bhs.be](http://www.bhs.be) or at the congress calendar at [www.congresscare.com](http://www.congresscare.com).  
There is no registration fee.
